

GLORY

CI-10X for the front office

Compact cash recycling system

With a renewed design that enhances operability for staff and customers, the CI-10X cash recycling solution removes the need for staff to handle cash at the point-of-sale. Automating cash handling minimizes the risk of errors and shrinkage while enhancing staff productivity and customer service. CI-10X can also optimize cash inventory within the device.

US Dollar

As part of the CASHINFINITY™ solution, the CI-10X compact cash recycling system is easily integrated into cash desks and self-checkouts.

	CI-10BX (banknote recycler)	CI-10CX (coin recycler)
